This child has such an infectious personality! He oozes excitement and enthusiasm in every single lesson and his love of learning and curiosity about the world is a joy to see. He is such a good role model for this, but also in so many other ways. He is kind, mature and respectful. This child works hard consistently and the hard work is paying off!

Harun

This child makes me laugh multiple times every single day! He is a brilliant help around the classroom and is always offering to do jobs. He really values school and tries so hard every day to gain house points and dojos. This child accepts a challenge and works hard at it - such as his fantastic handwriting that is now joined up! They have certainly earned being VIP for being an all round star!

For her amazing attitude to learning this half term. She listens carefully and tries so hard with her work, even when it gets tricky for her. As a result she has made brilliant progress over the last few weeks. Even though she still says "I bet I've done it wrong, haven't I?" in most lessons, it is nice to see her becoming more confident with her learning and ability to challenge herself. Keep up the good work!

Aoife

for always doing the right thing and setting a brilliant example to the rest of the class. She is always the first one on the carpet, the first to have her hand up and the first to follow an instruction. She takes lots of pride in her work and is always keen to do more at home. She loves to challenge herself and is always showing me extra work that she has created for herself. Well done, keep it up!

Our first VIP is the ultimate Year 6 role model! She always does the right thing, is super kind and thoughtful, and makes sure everyone is okay, even Miss Hepworth and I (we really appreciate it!). She is so mature and polite, not just to her friends but to everyone she meets, which shows what an all-around amazing person she is. Her hard work in learning hasn't gone unnoticed and it's obvious just how fantastically brilliant she is. Watch out, Shawlands teachers' netball team - she'll be scoring goals in no time! Well done to you!!

Alice
