They are a quiet, thoughtful pupil who always tries their best, even when they find things difficult. They approach their learning with steady determination and developing a more positive attitude in everything they do. They are very friendly and caring in nature, making them a lovely member of the class, and always kind to others. Over the year, their confidence has continued to grow, and it has been wonderful to see them become more willing to share their ideas and take on new challenges. They should feel very proud of the progress they have made and the resilience she shows every day.

This child is a true VIP. They have been working incredibly hard and show brilliant focus in every lesson. In English, they keep challenging themselves to use more complex vocabulary, and it's wonderful to see their confidence growing. In maths, they are making excellent progress and participating a lot more. What makes them stand out even more is their positive attitude. They come in smiling, ready to learn, and are always willing to help others. Their kindness, effort, and enthusiasm make our classroom a better place every day. Well done!

This child is a shining VIP. They are kind and friendly, making everyone around them feel welcome and valued. They are also incredibly hard-working, giving their best effort in every lesson. They have made fantastic progress with their times tables and are now so close to going flat on TTRS, which shows just how determined they are. Their resilience is something to admire - they don't give up, even when things get tricky, and they always push themselves to improve. They are a great role model for others, showing what it means to work hard, stay positive, and treat people with kindness. Keep it up!
