for increasing in maturity, focus and attitude throughout the year, leaving us with a super hard-working, sensible and kind young man as we leave Y6! We wouldn't know what to do without him during our show performances as he is so organised and knowledgeable on all things tech! Thank you for keeping me sane during this last few weeks!

for his effort, organisation, helpfulness and maturity as we come to the end of Y6. He has been helping across school for sports days and all staff have had nothing but fantastic things to say about him. I have been impressed by his amazing dedication to learning some very tricky lines in the show too! He is kind, caring, positive and we will miss him lots!

Our first VIP is a girl who is truly amazing in every way. She is an "always" child - always making the right choices, always showing kindness and consideration to everyone around her and always giving her very best in everything she does. She works incredibly hard, brightens our days with her wonderful kindness and joyful dances and is a fantastic role model for others. Thank you for being such an important and valued member of our class. We are so lucky to have you!

Anna K

Our Class VIP is a truly remarkable boy who has shown incredible kindness, resilience, and courage this year. No matter what challenges he has faced, he has continued to care for others, work hard and brighten our classroom with his positive attitude. We are all so proud of the strength and determination he has shown. His outstanding acting and singing in the school show have amazed us all (our very own Harry Styles) and he should be incredibly proud of his achievements. We admire him for the wonderful person he is and are so grateful to have him as such an important member of our class.
